THEME

SOEHK's ambition is to achieve "Go Younger, Energetic, Sustainable". In this fast-moving world, each generation of technology improves over the last, the rate of progress from version-to-version speeds up. The awareness on sustainable development in the society is concomitantly increasing. In SOEHK Symposium 2023 with theme "Lofty Deed Like Operations Engineers", professionals from logistics and transportation systems industry in Hong Kong, China and APAC will present the latest innovative transportation development and how they can achieve towards the theme. Topics cover IoT technology, Artificial Intelligence technology, EV charger, smart monitoring, advanced MEP system design for transport and logistics, etc.

LANGUAGE

English/Cantonese/Mandarin with English supplement to the technical terms.

PERFORMANCE MODE

1. "Face-to-Face" at Asia World Expo. (Limited seats available. First come first served)
2. Live Streaming via online platform
