Value and Versatility, Combined

The H5SL camera is a versatile and cost-effective security solution that is backed by an industry-leading warranty. With value and simplicity at the heart of this camera line, you will enjoy the ease of installation, flexible design features and various lens options the H5SL offers.

Features

5-YEAR WARRANTY

Avigilon stands behind the quality of this product with a 5-year, industry-leading warranty

DUAL EXPOSURE WIDE DYNAMIC RANGE

Capture details in scenes with both very bright and dark areas

MULTIPLE LENS OPTIONS

Choose from various lens types, including a new long zoom lens for challenging scene designs

ONVIF COMPLIANT

Native ONVIF® Profile S and Profile T compliance allows easy integration with existing ONVIF infrastructures

MADE IN AMERICA*

Built with North American expertise and globally-sourced materials

H.265 & HDSM SMARTCODEC™ TECHNOLOGIES

Combines our newest compression technologies to maximize bandwidth and storage savings

LIGHTCATCHER™ TECHNOLOGY

Exceptional detail in areas with poor quality (or low) lighting

AUDIO & RELAY I/O CONNECTIONS

Incorporate audio and configure input/output actions and alarms for fast event response

UMD TECHNOLOGY

Uses AI to continuously learn what typical activity in a scene looks like and then detect and flag unusual motion events for review

CONTENT ADAPTIVE IR

Adjusts IR beam width and illumination settings based on scene conditions to help maximize image quality
