The screenshot shows the Milestone Marketplace website. At the top, there's a navigation bar with links for SOLUTIONS, COMMUNITY, SUPPORT, EVENTS, and NEWS. Below this is a search bar with the text "Find applications, hardware or services". A sidebar on the left allows users to filter by "CHOOSE COUNTRY" (All countries) and "USE" (various categories like Biometrics, Building Management, etc.). The main content area displays a grid of 10 product cards, each with a thumbnail image, title, description, and a "LEARN MORE" button. The cards include products like Hikvision IPSAN Storage, Hikvision Face Recognition Plugin for XProtect, Soylar protective intelligence suite, BioStar 2 Integration for Milestone XProtect, NVR - Great Dane 2U, com-ict, VISIONS WISE, FishEye Deterrence Plugin for XProtect VMS, Meta data plugin for XProtect Smart Client, and People Counting Plugin for XProtect.

RESPOND Solution

Leverage advanced **real-time notifications**, including support for **face recognition** and **license plate recognition** and **people counting**, to bring relevant events to the forefront and allowing quick review by those individuals who can provide an accurate assessment.

The screenshot shows the BriefCam Protect interface with the **RESPOND** tab selected. The top navigation bar includes **ALERTS**, **RULES**, and **BOOKMARKS**, with a **52 Alerts** count. The left sidebar lists monitored areas: **Corridor** (5 Alerts), **Waiting Area** (4 Alerts), **Walmart Intersection** (14 Alerts), and **Bus Station**. The main area displays a grid of alert thumbnails, including face recognition and vehicle images, sorted by **Newest**. A large video player shows a red car at the **Walmart Intersection** with an **Alert Time** of 04/05/20 06:41 PM and an **Event Time** of 04/05/20 03:41 PM. The rule is named **Law Enforcement-Time Dependent ...**. The right sidebar offers actions: **Original Video**, **Create Bookmark**, **Mark As Unwatched**, **Start A Review Case**, and **Download Image**. The video player includes a progress bar and playback controls.

Three Seamless Integrated Solutions

RESEARCH Solution

Extracts **quantitative insights** and visualizes them within **customizable dashboards** for operational efficiency and data-driven decision making.
